### FLEET'S TRIP CUT SHORT.

Heat Along Gulf Coast Drives War Ships North.

The heat of summer is cutting short the work of the third division of the Atlantic fleet in the Gulf of Mexico.

This division, it was announced yesterday, will eliminate Mobile, Ala., from its itinerary in order to get to Northern waters as soon as possible.

The itinerary has been altered so that the ships will leave Pensacola June 5, arrive at Galveston June 7, leave Galveston June 12, arrive at Pensacola June 14, and leave June 20, arrive at Provincetown July 1 and join the remainder of the fleet there.

## AMONG PRIVATE SCHOOLS.

Commencement Week Is Filled with Many Delightful Social Occasions.

### HAMILTON.

The dramatic society entertained last Monday evening with a splendid presentation of Carlo Goldoni's "An Odd Misunderstanding," and on Tuesday evening with a French comedy, "La Jolie Fille Peur." In both plays the girls were received most favorably, and in the latter they gave their lines with all the finish and expression of native scholars. They had been trained by Mme. Marie Louise Boyd and Miss Katharine Seabroome.

On Wednesday evening at 8 o'clock Rev. Richard P. Williams, D. D., made an appropriate address to the graduates and presented diplomas to Miss Margaret De Voe of Long Island; Miss Ethel Tubins, and Miss Mary K. Graham, of Washington, D. C. A large and distinguished audience filled the assembly hall and drawing-rooms. The glee club and musical society rendered a pleasing programme during the evening. Certificates of admission to the graduate course were given to Misses Eliza May Moore, Evelyn Clay, Pauline Boyle, and Mary Alice Warden.

The students left Hamilton on Thursday afternoon, to be gone until early in October.

### CHEVY CHASE.

Mrs. Nelson Barker entertained the past week at a house party for a large party of friends, some of whom were alumnae.

On Tuesday evening Hon. Champ Clark addressed and presented diplomas to a large class of graduates. The auditorium was thronged with friends.

Wednesday evening a delightful programme of song and story was given for the benefit of the orphans of the Florence Crittenton Home. Those who contributed to the evening's enjoyment were Miss Hood, soprano; Miss Goff, contralto; Miss Jean Wilson, reader; Joseph Mathieu, tenor, and Louis Potter, pianist. During the evening the Marine Band rendered several numbers. The semi-annual girls served a dainty buffet supper at the close of the programme. Classes will be resumed in early October.

### WASHINGTON SEMINARY.

Last Wednesday evening, Dr. and Mrs. George Thomas Smallwood were at home from 8 till 10 o'clock in honor of the graduates. Mrs. Smallwood then entertained the younger set at a beautiful dance. The assembly hall was appropriately decorated in the class colors and masses of orchids, lilacs of the valley, and growing ferns. An elaborate supper, bearing out the color scheme, lavender and white, was served. About forty couples were dancing till a late hour, and the evening closed with toasts and songs for the class and faculty.

Thursday morning at 11 o'clock Dean William Allen Wilbur, of George Washington University, presented the diplomas and made the address to the graduates. Miss Anna Belle Allnut, Carroll Rice, Maryland; Ruth Johns, Oregon; Eleanor Davis, Maine, and Agnes Anna Lanley, Washington, D. C. As a tribute to Mrs. Smallwood, who has been the first and foremost of the girls' ways, the graduates presented her with an elegant imported dinner cloth heavily embroidered in Oriental handwork. About October 1 Washington Seminary will be reopened.

### COLONIAL SCHOOL FOR GIRLS.

Another case of housebreaking was added to the police blotter yesterday, when it was discovered by the janitor of the International Correspondence School, 619 Pennsylvania avenue northwest, that some one had taken cash and stamps from the safe in the basement. The safe was locked the night before and had been locked the night before. The safe was locked when the school was closed. The amount obtained was \$22.50 in cash and twenty-five stamps.

William H. Neill, superintendent of the Washington branch, told the police that about 8 o'clock Friday night two men came to his office and inquired about taking a course in the school. The police are of the opinion that these men knew something of the robbery.

### MRS. MACDONALD BURIED.

Within sight of the prison where her husband, Edward J. MacDonald, is incarcerated for murder, Mrs. Gertrude Shaw MacDonald, who was shot and killed by her husband Wednesday afternoon in the Colorado building, was buried yesterday morning in Congressional Cemetery.

### By EDWARD W. KIBBEY.

The Old Dominion Boat Club, of Alexandria, will hold a special club regatta on Decoration Day, and judging from the elaborate plans that are in preparation the members hope to make it one of the most successful in the history of the club.

Capt. Jim Douglas said recently that all that is needed is good weather conditions and the public will see some interesting sport, as much interest has been shown by the members of this season's events.

Besides the regular programme there will be special swimming events that will attract much attention. The well-arranged programme includes the following races: Four-oared shells, single and double canoes, single and double skis, and double working boats. The regatta will start about 2 o'clock.

Members of the Old Dominion Boat Club, of Alexandria, were pleased to see Capt. Jim Douglas out with the crew last week, after a absence of about ten days. He will probably take part in the rowing on Decoration Day.

Adrian Sizer, formerly captain of the Annapolis Boat Club, in his auxiliary craft Wetwo, will take a trip with a party of friends to the mouth of the Potomac River on Decoration Day. He will probably return Wednesday.

The Corinthian Yacht Club held a special entertainment for the ladies of the club last Wednesday night, and the fun and good cheer lasted until the wee hours of morning. This is the only social function of the club in which the ladies are invited during the season.

The Corinthian Yacht Club will hold its annual cruise to Occoquan, Decoration Day, and, from present indications, it will be a most enjoyable cruise, as much interest has been taken in the event, which promises to be one of the club's best cruises this season. Commodore Clarence E. Ingling will be in charge of the boats.

The boats and their owners follow: Spunk, owned by H. Barker; Ather, owned by J. Marston; Virginia, owned by John Poole; Virginia, owned by William R. Adams; Flit, owned by J. P. Welcker; Gulvere, owned by T. M. Davidson; Doris, owned by T. M. McGhee, and the Vika, owned by C. E. Ingling, commodore of the club.

The board of governors of the Corinthian Yacht Club will hold its monthly meeting Wednesday, when arrangements will be made for the club's annual regatta, which is to be held July 1.

The ninth annual regatta of the American Rowing Association was held on the Schuylkill River yesterday afternoon. There were eleven events over a mile and fifty-five yards straightaway course. Secretary Weed said recently that much interest has been taken in this year's event.

Entries were received only from those who take part in the sport for pleasure and recreation, and who have never received a money prize in connection with sports or athletic exercises.

The four-oared shells of the Old Dominion Boat Club, of Alexandria, Va., have been out rowing during the past month and will undoubtedly make a good showing in the coming regatta, especially the club regatta which is to be held on Decoration Day. Capt. Jim Douglas is greatly pleased with the work of the crew this season, and says they will undoubtedly make a splendid showing.

The club this season will be represented by two four-oared shells, namely, the "Reds" and the "Whites." Those who will compose the "Reds" follow: (1) A. Reardon, (2) J. Roberts, (3) C. Dineen, and (4) J. Richardson. The "Whites" are: (1) J. Burke, (2) H. Roberts, (3) J. Downey, and (4) C. Fawcett. The substitutes follow: Snowden, Wingate, Wright, Wolf, Moss, Roberts, Burke, Douglas, and Uhler.

At a recent meeting of the Old Dominion Boat Club, of Alexandria, Va., the following officers were elected: W. L. Allen, president; W. G. Rogers, vice president; W. H. T. Brooke, secretary; J. T. Burke, Jr., treasurer; Jim Douglas, captain; C. J. Dineen, first lieutenant, and J. W. Roberts, Jr., second lieutenant. The board of governors follows: A. Herbert, Jr.; W. A. Moore, A. H. Bryant, and A. C. Moss.

Commodore W. A. Rogers, of the Washington Canoe Club, stated recently that nine applications for membership were received last week. They will be considered at the next meeting of the board of governors, which is to be held June 8.

The yawl Grace K., owned by R. C. Cruik, and the yawl Freya, owned by George Bright, both of whom are members of the Capital Yacht Club, will race from the clubhouse float to the yacht anchorage in the harbor at Annapolis, Md., July 1, and from present indications it will be an interesting race, as

Owing to the splendid weather conditions the members of the local boat clubs are out on short trips this week and the harbor is well cleaned out.
